

Volunteer Application

Lifeline Wellness Center is a center where people come to learn how to take control of their health, through learning God's design for the right functioning of men and women. We have a system of volunteers for the following reasons:

1. Train and teach people about a healthy lifestyle.
2. Fill work positions available in the Center's team.
3. Lower the costs for the visitors that come for treatment and learning.
4. Promote missionary service, teamwork and the process of mutual learning.
